

Dear SMP Members Family and Friends:

December 11, 2009

Our Spring Tour 2010 is continuing enrollment for SMP members, family and friends. Mrs. Clare Isquith, our agent, has created an exciting itinerary that takes us from Sedona Arizona to Las Vegas Nevada with the wonders of the Grand Canyon and the spectacular State Parks in between. [see web site (<http://smpusa.org>)]. Our tradition is to have a first night dinner for the participants and a farewell dinner the last night and arrangements are being made at fine restaurants in Sedona and Las Vegas. Another dinner for the group is included on a boat cruise on Lake Powell. Our accommodations are excellent and all breakfasts are included. In addition, we will have a dedicated bus and tour guide throughout the trip. The various excursions available are a matter of choice along the way and there are many to choose from, as you can see on the website itinerary. Professional agenda activities will be in place some time in the early part of next year in accordance with our travel schedule and itinerary features.

If you are interested in participating please download the PDF file attached, fill it out and mail back to Mrs. Isquith with a deposit of \$250 per person (refundable before final payment request). The final payment is due on February 1, 2010 and trip cancellation insurance is available. At this time the cost of the trip, exclusive of air is \$2250 pp based on double occupancy with a single supplement of \$750. The cost is approximate and may be adjusted depending on the number of participants. I believe that this is a close figure and is more likely to stay the same or go down depending on increased registration. (see roster below for the current participants) Air pricing at this time (always subject to change) is :

Boston:	NY JFK:
US Air Non Stop \$625	US Air Non Stop \$674
Jet Blue Non Stop \$502	Jet Blue Non Stop \$469
	Jet Blue One Stop \$440

Clare Isquith will be handling air arrangements after the deposit and application is received. Our flights from Boston, New York and other points of departure will be coordinated to effect transfer from Phoenix airport to our hotel in Sedona. If you decide to make your own flight arrangements using air mile programs, please coordinate with her so your flight will arrive in time for our transfer. Transfers are included in the price of the trip.

Scheduled Participants

Carole and Ted Laquercia (NY)
Vicki and Bill Semel (NY)
Milena and Bernie Cornick (NY)
Cynthia and Phil Kaplan (NY)
Nicole and Jack Kirman (NY)
